Mr Dory Larrimore
228 N. Willow St.
Trenton N.J.

Dear Larrimore:

It is very hard to get you on the phone. I am going to try again tonight, but decided to drop you a line in case I did not get you.

We are coming to Trenton to play a game at Dunn Field, Wednesday Aug, 22nd. It will be a league game between The Eagles and The New York Black Yankees. This means it should be a good game, because we are fighting to win this second half of the league race, and the boys are really playing hard. We are three games short with The Yankees and this is a chance to get one in.

The man in Philadelphia is sending you the window cards. Please get them out as soon as possible as we do not have too much time for advertising. I am very anxious to have a good crowd, because I really want to be able to make Trenton a regular spot to play league games. As it is the teams are not too anxious to come there because they can do better in other spots. It is so close to Newark I would like to bring the teams there when they come here.

Mr Mc Kechnie is going to take care of the papers. Keep your eye on them and see if we get good stuff. If you can think of anything that might prove good publicity, let me know.

Very Truly Yours

Maybe you can get up to one of these games. Call me if you come so I can leave passes for you.
